

Application for Car Park Label (2017/2018)

I wish to apply for a car park label for the year commencing 1 July 2017. I understand that the fee for the issuance of each label is HK\$200 per calendar year and that all charges should be debited to my account with the Club.

I also understand that the car park label is not transferable and shall only be valid for the following car(s) which is (are) registered in my name.
