

Renewal of Car Park Label (2017/2018)

I wish to apply for the renewal of the car park label for the year commencing 1 July 2017. I understand that an annual car park label fee (*HK\$200.00 for the 1st label and HK\$100 for each of the additional label*) will be debited to my Club account.

In support of my renewal application, I declare that the car(s) listed below is (are) owned by me or my spouse and that, upon the change of ownership of the car(s), I should return the label(s) to the Club.

I understand that the car park label is not transferable and that I should use the Club's Car Park according to the Car Park By-laws.
