CRAIGENGOWER CRICKET CLUB

1 June 2017

All Members,

Car Park Label

1. Renewal of Car Park Labels

The car park labels for the year 2016/17 will expire on 30 June 2017. Upon the expiry, accounts of existing car park label holders will be charged automatically the car park label fee of \$200 each. Members who do not wish to renew the labels are kindly requested to notify the Club in writing.

Members who are car park label holders may, renew their labels by returning the old labels in exchange for the new one on or after 15 June 2017.

Members are reminded that only cars bearing a valid car park label issued by the Club and prominently displayed on the windscreen are permitted to enter the Club's car park. During the entire period that a car is in the car park, the label must continue to be prominently displayed on the windscreen.

2. Number of Car Park Labels

Members may apply for more than one car park label. The maximum number of labels that could be issued will be the same as the number of cars a Member has registered with the Club. The fee for each additional label issued is \$100.

Members are however reminded that only one car from each membership is allowed to park in the Club's car park at any one time.

Thank you for your attention.
