

## ELECTRONIC COMMUNICATIONS

### 電子通訊

We appeal to Members for receiving electronic communications from the Club.

Members are suggested to register with the Club to receive Club's information electronically. With Members' agreement, we will send you an e-mail alert together with the electronic information each time when the documents are ready. These e-mails will be sent to you on the same day when the documents are mailed to Members. The documents include monthly statements, newsletters, annual reports, notices and circular etc.

Members are strongly encouraged to take advantage of this option as the General Committee believes that it is a more CONVENIENT and PROMPT method of communication with our Members and will help to save resources. It will help to reduce consumption of the world's natural resources and SAVE PRINTING and MAILING COSTS for the Club.

Members who intend to receive electronic communications from the Club are kindly requested to complete and fax (28905501) / email ([membership@ccc1894.com](mailto:membership@ccc1894.com)) the following slip to the Club.
