Dear CCC members,

Appeal for members to express interest to serve on sub-committees

It has been three days since we assumed our General Committee (GC) duties. With a view to kicking off arrays of enhancement initiatives as soon as possible, we are taking active actions to identify the best qualified members to serve on the various sub-committees.

For those members who are willing to contribute their wealthy experience and expertise to the club through joining one or more of club sub-committees, I should be most grateful if they could complete the following form and return it to the club by hand, by post or by email (info@ccc1894.com). The GC and / or sports convenors will invite the most meritorious members to serve on the suitable sub-committees.

Yours sincerely
